How to Volunteer:

We are very fortunate to live on one of the most beautiful lakes in the Northwoods. To maintain Crescent Lake's beauty and preserve its natural resources, we need your help. Most of us want to help, but oftentimes we feel we don't have the expertise necessary to do the job. Rest assured, all that is necessary is a willingness to be of service and a desire to maintain the pristine quality of the lake. You have many willing neighbors who are eager to teach you any task that is necessary.

As a volunteer, the Crescent Lake Association has many different opportunities to be of service. All are important, and all benefit our lake and property owners.

- Eurasian Watermilfoil shore monitoring
- Board Membership
- Assistance with our annual Fireworks display
- Assistance with our annual Boat Parade
- Annual Meeting (planning, food, activities, set-up, clean-up)

You may contact any board member, or send your contact information and volunteer interests to the Crescent Lake Association email: crescentlakeassociation@gmail.com .

Thank you for your consideration,
