

Trailer Needed

*Do you have an enclosed trailer that you could lend to Larry McKitrick for use in hauling supplies for the fireworks on Crescent Lake? Larry would like to borrow it from July 1st to July 5th to pick up the mortar boxes from storage, pick up the fireworks and return the mortar boxes back to storage after the fireworks display. If you have an 8 x 10 or 8 x 12 enclosed trailer that you wouldn't mind lending to help with the fireworks display, please contact **Larry at (715) 367-5065**. The trailer will be parked a safe distance away from any fireworks during the display.*
